- Hold parent conferences
- Hold parent involvement meetings

Hillcrest's Annual Continuous Improvement Plan

Hillcrest's Continuous Improvement Plan is also known as ACIP. Parents are asked to serve on committees, offer input, and make suggestions for the plan. They are asked to evaluate and revise the plan at the end of the year. This plan can be found on the school website in the Title I section and in the office.

English Learners (ELs) and Migrant

The Enterprise City School System conducts meetings throughout the year for the parents of English Learners and Migrant students to provide general information about the EL and Migrant program, curriculum and instruction, and the system's policies and procedures. The EL staff facilitates communication between parents who speak other languages and the school by assisting during the registration process, translating during meetings, and translating at conferences. The EL staff translates documents and other important forms. Hillcrest will continue to ensure that school information is translated in a language parents can understand.

Title I Parental Involvement Policy

Hillcrest's Title I Annual Meetings are held during the first semester of each school year. There will be at least two meetings offered virtually so all parents will have a chance to get the information. During the virtual meeting, parents are given an overview of the Schoolwide Plan to include, but not limited to: School-Home Compacts, Hillcrest Parental Involvement Plan/Policy, Parents' Right to Know, and the use of Title I funds. 1% of the Title funds set aside is reserved to print the Elementary Parental Engagement Calendar. Parents are asked to complete a survey at the end of the year evaluating the Schoolwide Program and Parental Involvement. These documents are in the school's office and posted in the Title I section of our school website.
