

**Enterprise High School**  
**Student 2 Student Registration Form**

Student 2 Student or S2S is a nationally recognized school club that focuses on integrating new students into our school and community. Because you are a new student, you are invited to join S2S. On your first day of school, we will assign an S2S representative to give you a school tour, take you to and from your classes, and have lunch with you. Membership is not mandatory, but completion of this form will ensure an S2S representative is assigned to assist you on your first day.

If you would like to join, please return this form to Mrs. Ramirez in the Guidance Office.
